## Telecommunications Review

*For information*

The draft Terms of Reference (ToR) has been updated to reflect feedback from joint ministers to include the methodology of the Telecommunications Development Levy (TDL) in scope of the review.

Ministerial and agency consultation has commenced and is due to end on 14 May. Following consultation, the ToR is expected to be considered at Cabinet Business Committee (CBC) on Monday, 26 May and at Cabinet on 3 June.

## Agricultural and Horticultural Products Regulatory Review

*For information*

Departmental, Parliamentary Counsel Office (PCO), and ministerial consultation on the current draft of the Cabinet paper closed on Tuesday 6 May.

s 9(2)(g)(i)

Other feedback is primarily technical and is being addressed.

Following conversations with Department of the Prime Minister Cabinet (DMPC) and your office, the Cabinet paper will now be considered at EXP on 20 May, and Cabinet on 26 May. This allows time for some changes to be made to the paper, including more directly linking the actions underway to the review recommendations, reflecting the actions in support of key themes for improvement, and significantly reducing the length of the paper.
